A photograph of an outdoor dining area. In the foreground, a rectangular wooden table is set with four wicker chairs. The table is laid with white plates, cutlery, and glasses. Behind the table, there is a stone wall and a large tree with green leaves. The scene is bathed in natural light, suggesting a sunny day.

About Us

De Gangmakers, partners voor hospitality, is de inspirerende ontmoetingsplek van en voor de Gangmakers in Projectinrichting. Hier ontstaan alle bruisende ideeën en sprankelende concepten die leiden tot even mooie als unieke projectinrichtingen.

De Gangmakerij is het startpunt waar de inrichting van jouw kantoor, horecagelegenheid of zorginstelling geboren wordt. Gevestigd in woonwinkel Groter in Wonen en volledig uitgerust om jou te laten zien wat er allemaal mogelijk is als het over de inrichting van jouw project gaat. Dit is ons én jouw

inspiratiecentrum: dit is De Gangmakerij.

Hier zetten we een proces in gang dat zal leiden tot de realisatie van jouw project, precies zoals jij het voor ogen hebt. We luisteren heel goed naar jouw plannen en ideeën. Vervolgens kunnen we je

“in huis” vertellen en laten zien wat de mogelijkheden zijn. Dat doen we in de Gangmakerij. Van ontwerp tot realisatie, van de vloerbekleding en de raamdecoratie, via

stoelen, tafels en maatwerkbanken, langs verlichting en apparatuur tot aan decoratieve accessoires die de sfeer en beleving

completeren. Hospitality is het kernbegrip. In De Gangmakerij passeren alle elementen en onderwerpen die jouw project tot een sfeervol en

functioneel geheel gaan maken, uitgebreid de revue. We denken in alle stappen van het proces en in de

uitvoering ervan met je mee. Dankzij onze ervaring in deze branche, weten we precies waar de aandacht in elke fase op gericht moet zijn.
